

CalTex Website, Social Media, and Cookie Notice

CalTex Capital, LLC

Effective date: July 21, 2026

This Cookie Notice explains how CalTex Capital, LLC ("CalTex," "we," "us") uses cookies and similar technologies on websites, social media integrations, and digital services we operate, including caltexcapital.com and other services where applicable (the "CalTex Website").

1. What are cookies?

Cookies are small text files stored on your device when you visit a website. Similar technologies include local storage and pixels. Cookies may be set by us (first-party) or, if enabled in the future, by service providers acting on our behalf.

2. Cookie categories

We group cookies into the following categories, which you can manage in **Privacy Settings** on the Website:

Strictly necessary - Required for core site functions, security, and remembering your privacy choices. Always on.

Functional - Optional features and preferences. Not currently used on this Website for third-party features.

Analytics - Optional measurement of how the Website is used (for example, Google Analytics if later enabled). Off by default and unused until enabled.

Marketing - Optional advertising-related cookies. Off by default. We do not use marketing cookies for cross-context behavioral advertising.

3. What we do today

The Website uses strictly necessary cookies or local storage as needed to remember **Privacy Settings** preferences and support basic operation. Optional analytics and marketing categories are available in the **Privacy Settings** interface for future use; they are off by default and do not currently load third-party analytics or advertising tools.

We do not sell personal information. We do not operate partner product portals or share cookie-derived data with insurance carriers, agents, or plan administrators for contract sale or administration.

4. Social media

Where the CalTex Website includes social media buttons, embeds, or share features, those third parties may set their own cookies or similar technologies when you interact with their tools. Their practices are governed by their own policies. CalTex does not control third-party social platforms.

5. Managing Cookies

You can open **Privacy Settings** from the Website footer (or the Privacy Settings page) to allow or reject optional categories. You may also control cookies through your browser settings (blocking or deleting certain necessary cookies may affect site functionality).
